

Looking at Locking

Spring 2026

Welcome to Locking Parish Newsletter

VIEW FROM THE CHAIR . . .

Welcome to the 'View from the Chair 'and this our 'Spring edition of Looking @ Locking'. Many thanks to our editorial team, Dawn, Kelly and everyone who has contributed to the publication of this edition of 'Looking @ Locking'.

The Book Exchange and Community Living Room continues to be well supported and is a place where Parishioners are welcome to meet with Councillors, Parish Staff, Police and other parties whilst partaking of refreshments. It is held every Tuesday between 10am and 12pm at the Nurse Thomas Suite, **all** are welcome.

Despite the heavy rain and storms that that we have all encountered over the past few months, the new growth of spring is evident all around us with many displays of daffodils and other spring flowers growing within the Parish. Spring is a time of change with new growth beckoning in the new season, as a Parish we are also facing changes and new challenges.

I would like to welcome Natalie Clapp to the Parish Team. Natalie is our newly appointed Parish Clerk's Assistant and will be supporting Kelly in her new role as Clerk/RFO of Locking Parish Council.

I would also like to welcome Councillor Joe Smith to Locking Parish Council; I am sure Joe will enjoy his time with us.

It is always sad to report that Councillors have left, especially long serving experienced Councillors. We will miss Peter Lacey and Elfan Ap Rees whose work and many contributions over the years have been appreciated by so many in our community.

Our current Clerk, Dawn is due to retire with effect from 31 March 2026. We wish Dawn a happy and well-deserved retirement and a huge thank you for all she has done for our community over the past years.

There are currently ten Locking Parish Councillors, we have five vacancies. If you have time to spare and are interested in representing your community, please contact the clerk for information on how to become a Locking Parish Councillor.

As many of you may know we are facing a number of issues concerning applications to North Somerset Council for new developments in the area south of the Old Banwell Road and at the land off Elm Grove in Locking Village. We are concerned about the impact these new developments might have on our roads with an increase of road traffic, the safety of pedestrians and even flooding in the Parish. To investigate and respond to these applications we have formed a 'Planning Development Working Group'. The Working Group would welcome the assistance of residents who wish to be involved in addressing these important issues which will affect our community.

The Clerk can be contacted on 01934 820786 or email clerk@lockingparishcouncil.gov.uk if you would like to join the Planning Development Working Group and have your say or for information on how to be a Councillor.

Finally, I was disappointed to see the reappearance of potholes at the entrance to Locking Parklands and on Bowen Road. These have since been repaired.

I would urge residents to report any new potholes to the Community Liaison Team at Locking Parklands via email at community@lockingparklands.co.uk or on 07735 129469.

Paul Jones – Chairman

A Personal Message from Dawn – Retiring Clerk/RFO

After much consideration, I retired from my role as Clerk and Responsible Financial Officer at Locking Parish Council on 31 March 2026. Serving this community has been one of the most meaningful experiences of my life, and it has truly been a privilege to work alongside such dedicated colleagues and residents.

Working for Locking Parish Council has never felt like “just a job”—it has been a privilege, a purpose, and, in many ways, a second home. I have been fortunate to work alongside colleagues who genuinely care about our community, and to serve residents who continually inspire with their dedication and spirit.

I am proud of all we have achieved together - from strengthening financial processes to embracing more digital ways of working. I am especially proud of the community projects we brought to life:

- the thriving Community Living Room and Book Exchange
- the refurbishment of the Nurse Thomas Suite
- the transformation of the Old Banwell Road playing field
- the planting of the Community Orchard and Tiny Forest

These projects reflect the true spirit of Locking—forward-thinking, collaborative, and rooted in community pride.

What I will cherish most, however, are the relationships: the laughter during long meetings, the problem-solving during challenging moments, and the kindness shown every day. These memories will stay with me long after I leave the role.

Thank you—from the bottom of my heart—for your trust, support, and friendship. It has been an honour to serve this community, and I will carry these memories into the next chapter of my life.

With warmest wishes,

Dawn

A new chapter in the Parish Office

*Kelly (left) and Natalie (right)
with trees in bloom at Locking Grove*

I'm **Kelly** and I have been the Clerk's Assistant for the past two years, supporting the Council and helping to keep Parish business running smoothly. In April I will be stepping into the role of Clerk and I am looking forward to this new and exciting chapter.

I would like to take this opportunity to wish Dawn a happy and peaceful retirement.

I am pleased to welcome Natalie, the new Clerk's Assistant, who started with us in March. She brings with her valuable experience and enthusiasm, and I'm looking forward to working closely with her as we continue to serve the Council and the wider community.

We are in the process of appointing a Parish Orderly Assistant, and I look forward to introducing them in the next edition.

I'm **Natalie** and I joined Locking Parish Council at the start of March as Clerk's Assistant. I was brought up in Weston and continue to live here with my family, so I'm very pleased to be working within the local community.

Previously, I worked with the Grounds Team for another local council, where I gained valuable experience in supporting council services and helping to maintain community spaces. I'm looking forward to bringing that knowledge and experience into my new role and supporting the Council in its work for the parish and its residents.

Outside of work, you're most likely to find me relaxing with a good book or visiting a National Trust property with my family.

I'd also like to say a big thank you to Dawn, Kelly, Paul and everyone I have been able to meet so far for making me feel so welcome since I joined.

Locking Parish Council Small Grant Scheme

Locking Parish Council's annual budget includes a sum of money for grant awards. The **Grant Awards Policy** has been drawn up to demonstrate a fair and transparent process and sets out the procedure the Council will follow when making its decision.

A grant is any payment made by the Council to an organisation for a specific purpose that will benefit the Parish, or residents of the Parish; and which is not directly controlled or administered by the Council. The Council awards grants, at its discretion, to organisations which can demonstrate a clear need for financial support to achieve an objective which will benefit the Parish by:

- Improving recreation/sports
- Enhancing the quality of life
- Providing a service
- Improving the environment

Locking Parish Council will not normally award grants to:

- Private individuals,
- Commercial organisations,
- Purposes for which there is a statutory duty upon other local or central government departments to fund or provide to "upward funders". (i.e. local groups where funding is redistributed by a remote HQ),
- Political parties,
- Religious organisations, unless for a purpose which does not discriminate on grounds of belief.

One application for a grant will normally be considered from an organisation in any one financial year.

The Parish Council will not make ongoing commitments to award grants in future years. A fresh application will be required each year. This will be at the discretion of the council.

Grants will not be made retrospectively.

SWALES

During the recent periods of heavy rain, the swales at the Old Banwell Road playing fields have effectively slowed and redirected surface water, helping to reduce pooling in the car park, on paths and easing pressure on nearby drains.

These natural drainage features are designed to manage water sustainably, allowing it to soak gradually into the ground. It's encouraging to see them making a positive difference to local flood resilience and overall drainage.

Swales at Old Banwell Road playing field

CAR PARK BOLLARDS

Bollards have been installed around the Old Banwell Road car park to prevent vehicles from encroaching onto the surrounding grass areas and pedestrian paths.

Car park bollards

This improvement will help protect our valuable open green spaces from damage, particularly during wet weather when the ground is most vulnerable. It will also support the safety of children and families who use the paths, ensuring vehicles and pedestrians remain safely separated.

MEMORIAL CHRISTMAS TREES

Memorial Christmas Trees

The memorial Christmas trees have now been planted in Locking village park.

These young trees have been given a permanent home where they can continue to grow and be enjoyed by the whole community.

Thank you to Cllrs Jones, Schofield and Tremlett who planted them.

DOG BINS

Several of our dog waste bins have been fitted with brand new lids, replacing the old ones that had become rusty and worn over time. These improvements should help keep our public spaces tidier, easier to use, and more pleasant for everyone.

Thank you to our Parish Orderly, Mike, who removed the old fittings and installed the new lids. His hard work helps keep our Parish looking its best.

PARK SLIDE

Mike has also installed new safety matting beneath the slide in the village park and put down grass seed which we're happy to see beginning to take root and grow.

A GUIDE TO WALKING PUBLIC RIGHTS OF WAY IN LOCKING

Points of interest:

Locking offers a glimpse into a rich past, with several points of interest that weave together tales of loyalty, rebellion, and ancient history.

The Coach House Pub, once the stable block of the grand Manor House, now offers a modern respite imbued with historical charm.

The Manor House itself carries a tragic legend: William Plomley, a participant in the Monmouth Rebellion, met his end after his loyal dog betrayed his hiding place. The sorrowful tale continues with his wife's devastating act and the subsequent haunting of the grounds, lending itself to the lore of a 'ghost walk' on the former Manor land. The property briefly passed to William's brother John before falling into the hands of the Merchant Ventures of Bristol.

The Spinney, or old Coach Road, whispers stories of a private drive connecting the Manor House stables to routes towards Worle and Bristol. St. Augustine's Church, with its 13th-century tower and unique font, stands as a testament to the Locking village's enduring presence.

Finally, the panoramic view south reveals Elborough Village, Hutton Hill, the Severn Estuary, and Brean Down.

While the village name itself is believed to derive from the settlement of Locs people, anchoring Locking in a deep historical context.

Public rights of way, a uniquely British concept, originated as vital access routes for those without alternative means of transportation, primarily serving as pedestrian connectors. While some provided access to neighbouring villages, many historically linked communities to the focal point of village life – the church. Ironically, as personal transportation became more readily available, the original purpose of these paths diminished, leading to the loss or realignment of some routes. However, legally, a public right of way can only be extinguished through a formal statutory process.

To achieve public right of way status, a path must either be explicitly dedicated by the landowner or have been enjoyed by the public for a continuous period of twenty years or more without objection from the landowner. Maintenance of these routes is a collaborative effort, shared between landowners, the Public Rights of Way Scheme (PROWS), and dedicated volunteers.

When venturing onto these paths, sensible walking shoes are recommended.

The presence of stiles can unfortunately limit accessibility for wheelchairs and pushchairs.

LOCKING PRIMARY SCHOOL

While the rain has continued to fall since the start of 2026, the Locking family remains a warm, busy and exciting place to be!

We were delighted to receive a letter from the Education Secretary Bridgette Philipson naming us as one of the top performing schools nationally for disadvantaged pupils in 2024-2025. We are extremely proud of this recognition of our wonderful pupils and hardworking, dedicated staff team.

We continue to be grateful for the generosity and support from our friends at St Augustine's Church. Early next term our Year 5 and 6 classes will have a special visit of our local church as part of a local study in RE. Later in the term, Year 5 have a visit to Wells Cathedral which has been generously subsidised by our friends at St Augustine's. This kindness, generosity and support is building important community links for our children – thank you to St Augustine's!

Our annual Easter Bonnet parade takes place on Wednesday 1st April 2026 at 2pm throughout village. We would love to see some of our local villagers out in their gardens or the park to support our children and Easter inspired creations!

We are working hard to redevelop our lunch time provision through OPAL play. We are looking for donations to help us! If you are having a spring clean, please consider bringing your unwanted items for us into school.

St AUGUSTINE'S CHURCH LOCKING

News from your Parish Church

Rev Larissa Trust

Dear friends, I'm writing this whilst watching the final episode of *The Traitors* on the edge of my seat! You'll be reading this a couple of weeks into Lent, but if you are missing *The Traitors*, the baddies of Lent and Easter could offer you an alternative fix of lies and deception!

Lent begins with the Devil tempting Jesus in the desert, speaking with a smooth, convincing voice. Likewise, successful *Traitors* are often compelling storytellers who gain the trust of others, manipulating them to enhance their game.

On Palm Sunday elated crowds cheered for Jesus as he rode into Jerusalem. The crowds seemed faithful, but when the tide turned against Jesus, they condemned him and banished him. There is a herd mentality around the Round Table, with players often deceived by persuasive voices or voting to protect themselves.

Then there was the flaky player - Pontus Pilate - a cowardly traitor. He knew Jesus was innocent but didn't stick to his plan. He turned against Jesus under the pressure of the crowd's flawed, guilty, illogical preferential treatment of murderer Barabas.

Judas was the secret inside traitor, handing over Jesus, his friend, to their enemies for thirty pieces of silver. *The Traitors* shows how easily people are drawn to lying and betrayal for personal gain, whilst knowing what they are doing is wrong.

Then there was the pain of broken trust. Peter, Jesus's closest friend, deserted and betrayed him when he needed him the most. Peter was intimidated by the pressure; scared and emotionally flooded. When the truth is known, *The Traitors* players are often devastated at wrongly dismissing a faithful contestant.

In contrast to those around him Jesus was and is the ultimate faithful. Jesus overcame temptation and was never disloyal or untruthful. He put his trust in

God rather than "gut feelings". Jesus was not there to win the prize. He was not afraid of being the target for traitors. His gameplan was to offer us faithful friendship.

If you would like to discover more about Jesus and whether he is trustworthy, join us at one of our services this Easter season– we'd love to see you! Stay faithful, Larissa

Helicopter Museum

The new **Weston Aviation Heritage Hangar** will finally open to the public at The Helicopter Museum this Summer after several years of hard work and fundraising by the Museum Staff and Volunteers.

The Exhibition within will complement the current story told in the Weston Aviation Exhibition, housed in the former airfield Pilots Block building in the Museum grounds. It will include the airframes in the museums collection that have historic links to the site, including two Sycamore Helicopters, a Bristol Belvedere Helicopter and a Sedburgh Glider. With the story of aviation in Weston-super-Mare dating back to the Edwardian Era, visitors will be able to enjoy an old fashioned 'Punch and Judy' style introductory video presentation charting over 100 years of local aviation history before they get to explore the exhibits themselves.

The Helicopter Museum is a Registered Charity and is actively looking for new volunteers to join its front of house team and anyone interested should contact the museum on 01934 635227.

Upcoming fundraising events include the Annual Military History Weekend with live music and tank firing demonstrations on 25th & 26th April, and the Annual Dalek Invasion Day on Sunday 14th June.

Banwell Bowls

Looking for something new this summer – come and try bowls at Banwell

Bowling Balls

Banwell bowling green started out as a pond and paper mill. In 1850, the mill had closed and the site was acquired by Weston-super-Mare Waterworks and the spring was tapped for water supply. In the 1920s the pond was drained and infilled to create the bowling green and the Bowling Club was formed in 1933. It is unique in that it is the only L shaped bowling green you will come across.

A lot has changed since then - bowls has become much more relaxed and inclusive. It can be very competitive but is also great fun and very sociable. So come along and give it a try!

The bowls season starts in April and from **Monday 11th May** we will have open sessions from 5pm. Everyone is welcome to come and have a go. You just need to wear flat shoes and comfortable clothing – bowls and coaching are supplied and the bar will be open. If you like the game, membership of the club is cheap and simple. For more information, call Wendy (club secretary) on 07774 553145 or visit our website banwellbowlingclub.co.uk

Royal British Legion - Hutton, Oldmixon and Locking Branch

First an update on the Poppy Appeal in 2025. Our Branch collected £18,426, whilst Weston super Mare Branch collected £48,874, between us we collected £67,300.

We are urgently looking for a Poppy Appeal Organiser. This organiser does not have to be a member of the Royal British Legion (RBL).

This year we plan to have a: Tombola Evening on Tues 12 May and Ploughmans Supper on Tues 8 Sept. Our Annual General Meeting will be on Tues 10 Nov. All will be in the Village Hall, Hutton, everyone will be welcome.

Anyone who is interested in joining the Branch or becoming our Poppy Appeal Organiser should contact our **Chair, Liz Brown, on 07508 114334 or 158lizbrown@gmail.com**

BANWELL GARDEN CLUB

Looking back at 2025, Banwell Gardening Club had an exciting year, particularly helped by the lovely summer. All our meetings had interesting speakers and the last meeting was a social night of 70s / 80s music, with a bar, a quiz, a raffle and lots of dancing.

St. Andrew's Church in Banwell decided on a Christmas theme based on the Chronicles of Narnia. Lyn Ralph (Chair) and a friend, on behalf of the club took on the task of bringing The Lion, The Witch and The Wardrobe to life ready for the Banwell Primary School Carol Service.

On 23rd April our speaker is Les Cloutman - Somerset Butterflies and Day Flying Moths and on 28th May Matthew Symonds - Gardening in Small Spaces. Visitors are welcome, cost £3.00 with refreshments included.

Full membership is £10.00. Join on September 1st, enter the Horticultural Show and save money on our monthly meetings. We look forward to seeing you.

New Mobile Library

The new North Somerset Council Mobile Library vehicle has been delivered, and the team have been working hard to get it stocked with books and ready to go on the road.

The team would like to say a massive heartfelt thank you for bearing with them and continuing to use the interim service. They know it hasn't been the same as being able to climb onboard and browse the shelves for yourself, so they really appreciate your continuing support by using the temporary vehicle.

Switching to an electric vehicle will dramatically reduce the Mobile Library's emissions and fuel costs, helping in our mission to protect the environment and build a green North Somerset.

The Mobile Library is officially out and about on the roads and in the villages of North Somerset, the team would love to welcome you on board and see what you think!

Don't turn your home into a gold mine. Burglars are targeting households for gold, jewellery, cash and even stealing whole safes.

- Keep high-value gold, jewellery and currency with your bank or a specialist secure storage company,
- If kept at home, ensure high-value items are stored in a suitable safe supplied and fitted by a company approved by the Master Locksmiths Association,
- Ensure your home is secure by locking doors and windows, installing an alarm, CCTV, security and a smart doorbell,
- Keep photographs and a description of items of sentimental value,
- Be wary of unexpected callers and if you're suspicious, tell the police by calling 101,
- Take care with what you share on social media, some posts may unintentionally reveal that your house may be empty,
- Register valuables on www.imobilise.com so that if we recover your property, we can return it to you.

DOORSTEP CALLERS

Crime prevention advice

- Never open the door to an unexpected caller until you've checked their identification – use a door chain or viewer, intercom, or a 'smart' doorbell. Genuine callers expect it.
- Lock sheds / garages and any outbuildings, securing ladders, bikes, and any other property.
- If you're not sure, don't open the door.
- Consider outdoor lighting / CCTV / Doorbell Cameras.
- If asked for water, consider turning off the supply to any outside taps.
- Never agree to have work done or part with money on your doorstep and ideally get written quotes from at least two traders for any work. Always agree a start and finish date and agree a price before any work starts on your home.
- If you are suspicious of a caller, tell us straight away – ring 999 if you feel threatened or intimidated, otherwise call 101.
- Store any high value items such as jewellery, passports, and cash in a properly secured and hidden safe or bank vault, away from doors, letterboxes & cat flaps.
- Keep windows and doors secured if you're not in the room and never keep large sums of money in the house.
- If you see someone calling door-to-door, but only on frail or elderly neighbours, call 999 straight away.
- Ask a trusted neighbour to help you deal with unexpected callers.
- Look out for vulnerable and elderly neighbours and make sure they know what to do when they receive an unexpected caller.
- Join Neighbourhood Watch.

If you think you've been deceived, are concerned about a trader, or have any doubts call 101 or Citizens Advice consumer helpline: 0808 223 1133 or www.citizensadvice.org.uk
